THE JUNIOR LEAGUE OF HOUSTON, INC.

Founded in 1925, The Junior League of Houston, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

PRESIDENT'S LETTER

It has been my privilege to serve as the 92nd President of The Junior League of Houston, Inc. This opportunity has afforded me a unique perspective of the far reaching impact of the League. This year's theme was "Heart of a Champion," and I am a believer that our members, patrons and partners are champions in the Houston community. Our members champion by improving the community through various programs and placements while focusing on critical needs. Our patrons and partners champion both financially as well as acting as cheerleaders by sharing the message. Over my past eleven years in the League, I have witnessed the dedication and generosity in our community and count myself fortunate to be a part of Houston and the Junior League.

This year the League contributed over 75,000 hours of volunteer service – the equivalent of eight years – through the support of 38 community projects. Beyond trained volunteers, the League invested over \$900,000 in grants and project support to a number of worthy organizations throughout the heart of our community.

The League also has financial supporters. This year the League had 11 Community Partners, who each donated \$20,000 or more during the year. Additionally, underwriters of the 68th Annual Charity Ball, *The Bon*

Temp's Ball, helped raise over \$900,000 in support of League efforts. The League is truly grateful to all who helped in "Building A Better Community" throughout the year.

The League has also had continued success in the third year of the relaunched annual fund. Donations to the *League Legends* Annual Fund support the community efforts, building preservation and operating expenses of the League. This year's effort exceeded all goals, raising over \$160,000.

At the heart of the League, a few extraordinary events warrant mentioning (there are too many to include all). This year the League executed a Long Range Plan with the input of the active membership. This triannual event assures the League is meeting not only the community's needs but also capturing the member's needs and interests. The League celebrated the 30th birthday of her home at 1811 Briar Oaks Ln. Also, notably the League was the recipient of the Association of Junior Leagues International Fund Development Award. This prestigious award was in recognition of the League's 16 year old Community Endowment Fund, valued at over \$12.8 million. Distributions from the fund enable the League to not only maintain but increase the support back to the community.

WE PROUDLY INVITE YOU TO REVIEW THE 2015 – 2016 ANNUAL REPORT TO LEARN MORE ABOUT THE HEART OF A CHAMPION – THE JUNIOR LEAGUE OF HOUSTON, INC.

TO HONOR THE MEMORY OF

Sara Houstoun Lindsey

WHO PASSED ON TUESDAY, FEBRUARY 16, 2016

The League proudly honors an outstanding active member with the Sara Houstoun Lindsey Award, an award endowed by John Lindsey to honor his wife, 1957 – 1958 League President. Former award recipients were asked to share a few inspirational words about Mrs. Lindsey's character and how they each are committed to champion her legacy.

"Mrs. Lindsey was such a positive, energetic force of nature! Her standards were high, always, and her determination, sense of humor, kindness and graciousness seemed to make all things possible. But the thing that I admired most about her was that she maintained a balance between her deep commitment to the community and her commitment to her family and friends. She never sacrificed one for the other but was still able to achieve so much."

– Astrea Milam Fatica, 2004 – 2005

"I created a huge blunder with a project a few years back, and Mrs. Lindsey called me to discuss it. She called because she cared enough to pull this lost sheep back into the righteous herd. She was fully invested in the League, Texas A&M and every other institution she loved. She was the ultimate sustainer – all in with the League's mission for the duration. That phone call was the first in a delightful series of leadership lessons from one of our champions."

– Susan Richardson Barnes, 2014 – 2015

** Direct financial support is the actual cash spent for the community endeavors during the fiscal year ending May 31, 2016.

For more than 90 years, The Junior League of Houston, Inc. has been committed to improving the Houston community. The Junior League is committed to exploring new opportunities that expand its community outreach through Community Assistance Grants. The Community Assistance Committee evaluates grant applications for projects in the Houston community that do not currently receive volunteer support from the League and makes funding recommendations to the League's Board of Directors for consideration. Specifically, requests that address a critical or basic need, fund a pilot program and/or expand a significant service to the community are considered.

FOR 2015 - 2016, THE LEAGUE AWARDED \$150,000 IN COMMUNITY ASSISTANCE GRANTS TO THE FOLLOWING AGENCIES:

THE CENTER offers high-quality residential, vocational and day services to support its clients and the greater Houston community. League funds will support the Young at Heart Program by expanding services for senior adults with intellectual and developmental disabilities to help them remain physically and socially active, mentally engaged and connected to their community.

CHILDBUILDERS provides a prevention program designed to stop child maltreatment from happening in the first place. The programs provide children the knowledge and skills they need to identify and avert victimization and support social-emotional development. League funds will be used to train and provide program curricula to 46 school personnel to teach the Personal Safety and Relationship Education program to 400 Greater Houston Area children. The funding will include program curricula, a laptop computer, wireless Internet access and resource books.

ESCAPE FAMILY RESOURCE CENTER is a parenting education agency providing child abuse prevention programs and parenting classes to families looking to create a safe, healthy and happy home lives. League funds will significantly expand the ESCAPE Family Resource Center's "Learn to Parent" education efforts to the community through a pilot program offering 11 new and flexible workshops to working parents. The funds will also continue to support The First Five, a program focused on preventing abuse of children under the age of five, the most vulnerable and often abused childhood demographic.

HIS GRACE FOUNDATION provides physical, emotional and financial support to patients and families in the Bone Marrow Transplant Unit at Texas Children's Hospital. League funds will fully furnish a third apartment for their housing program, His Grace Place, to provide temporary and critical post-transplant housing for these families during their loved one's treatment.

THE HOPE AND HEALING CENTER provides education, training and programs that support and strengthen the emotional, mental, physical and spiritual health of families and individuals across the full cycle of life, from birth to elderhood. League funds will support The Hope and Healing Center's new Violence Against Women initiative, designed to offer specialized mental health care services for female survivors of trauma.

HOUSTON A+ CHALLENGE'S mission is to be a catalyst for change and a model for innovation in public school education in the Houston area and beyond to ensure that every student is prepared for post-secondary success. League contributions will fund a portion of the A+ Unlimited Potential program for low-income and at-risk middle school students.

NORTHWEST ASSISTANCE MINISTRIES has an integrated service model to deliver its mission of meeting basic human needs through "neighbors helping neighbors." League funds will support two programs, including emergency shelter and/or supplies for a new home for approximately 25 women fleeing domestic violence and a daily supplemental meal for 40 homebound seniors for a six-month period.

THE PERIWINKLE FOUNDATION develops and provides programs that positively change the lives of children, young adults and families who are challenged by cancer and other life-threatening illnesses and who are cared for at Texas Children's Hospital. TEXAS CENTER FOR THE MISSING is dedicated to bringing hope and healing to the missing and their families through crisis intervention, prevention and community education. League funds will develop and implement the new Houston Regional Silver Alert System website, a life-saving emergency alert system for elderly adults often battling dementia. A good time was had by all at *The Bon Temps Ball*, the Junior League of Houston's 68th Annual Charity Ball. Since 1949, Charity Ball has been an integral source of funding for the League's Community Program, and *Bon Temps Ball* proudly continued the longstanding tradition. Held on February 5, 6 and 7, 2016, the New Orleans-themed gala raised more than \$900,000 in revenue to support the League's community outreach and volunteer initiatives.

Each evening showcased the revelry of New Orleans with carnival beads, a festival float and a spectacular musical revue in the style of jazz and blues. The merrymaking began on Thursday evening with a lively cocktail party and continued on Friday evening with a black-tie gala followed by "NOLA Nightcap" – an after-party with dueling pianos, live entertainment, open bar and late-night bites. Rounding out the weekend, Saturday evening featured an encore black-tie event where guests les bon temps rouler'd in grand French Quarter style.

COMMUNITY ENDOWMENT DONATIONS

In 1999, the Junior League created the Community Endowment. In 2005, a separate organization, the Junior League of Houston Foundation, was created. Community Endowment assets were transferred to the Foundation, and the Foundation's board is charged with overseeing the management, investment and distribution of funds. HAPPY 30TH

April 1, 2016, marked the 30th anniversary of the Junior League building on Briar Oaks Ln. Through the vision of JLH leaders in the 1980s and the continued stewardship of the House Committee, the building has continued to be a central gathering place for League members, Tea Room patron members and the public. Instead of pearls, which is the typical gift for a 30th anniversary, the League's membership approved several capital improvements that will see the building through to its next significant anniversary, including updates to the Ballroom, Tea Room and upstairs administrative offices.
