FOUNDED IN 1925, THE JUNIOR LEAGUE OF HOUSTON, INC. IS AN ORGANIZATION OF WOMEN COMMITTED TO PROMOTING VOLUNTARISM, DEVELOPING THE POTENTIAL OF WOMEN, AND IMPROVING COMMUNITIES THROUGH THE EFFECTIVE ACTION AND LEADERSHIP OF TRAINED VOLUNTEERS. Sarah Heck Snyder
President 2017 – 2018

The Junior League develops the potential of women through a comprehensive training and education course, along with opportunities to serve in leadership positions, where members gain on-the-job experience running a large and very complex nonprofit organization. Even more

importantly, the League trains

volunteers to be effective in the community well beyond their membership requirements. With nearly 1,500 active members and over 3,000 sustaining members, the League encourages mentorship and development, cultivating a lifetime of civic service for tens of thousands of women.

Through the achievements of its members and generous donors, the Junior League of Houston contributed more than \$2 million in volunteer time and direct financial support to 38 community projects and other volunteer initiatives in

2017 – 2018. League members provided over 100,000 volunteer hours that touched countless lives across the Greater Houston Area and the League contributed almost \$900,000 in grants and project support to a number of both emerging and established organizations carrying out important work across Houston. In addition, the Junior League of Houston Hurricane Harvey Relief Fund, established to provide disaster relief monies to organizations currently in the Junior League's Community Program, raised over \$111,000 with contributions from 37 states, including individual donors, corporations, foundations, sister Junior Leagues, and proceeds from a League special event.

The League is grateful to its many friends and supporters, and to the almost 5,000 members of the Junior League of Houston who enable it to continue "Building A Better Community" and create a legacy of enduring impact on the Greater Houston Area.

The Junior League of Houston, Inc. is a network of empowered female civic leaders working with community partners to address and help solve pressing issues like basic needs, abuse of women and children, health care, education and cultural enrichment. JLH is part of The Association of Junior Leagues International, Inc. (AJLI), a network of 291 leagues comprised of over 150,000 women in the United States, Canada, Mexico and Great Britain, engaged in similar work in their own communities. AJLI is a nonprofit organization that provides comprehensive consultation, training and other support services that assist the leadership of the 291 Junior Leagues across four continents. The association provides a unique and powerful depth of knowledge and resourcefulness to bring about the changes its member leagues strive to accomplish. Besides volunteer members being able to transfer their membership to other leagues in the AJLI family, being a member of AJLI also affords Junior League members valuable learning opportunities and available resources such as conferences, online training sessions and a website rich with reference materials.

2017 – 2018 COMMUNITY ASSISTANCE GRANTS

Each year, The Junior League of Houston, Inc. provides Community Assistance grants to worthwhile organizations that do not receive ongoing volunteer support or financial assistance as one of the League's community projects. The League's Community Assistance Committee reviews the grant requests and conducts site visits before making recommendations for funding. For 2017 – 2018, the League awarded \$175,000 in Community Assistance grants to the following agencies:

A.A.M.A. (ASSOCIATION FOR THE ADVANCEMENT OF MEXICAN AMERICANS):

A.A.M.A. offers an Early Childhood Center to support teen parents attending their charter school and other families in Houston's East End. League funds provided critical improvements to their facilities, including a water fountain and commercial-grade washer and dryer.

ARMS WIDE ADOPTION SERVICES: Arms Wide Adoption Services aids children in the state-sponsored foster care system that have been removed from their birth homes due to abuse, neglect or abandonment. The League fully funded "Camp Boo," a family camp serving 70 – 80 campers, including adopted foster children and their families.

B.I.G. LOVE CANCER CARE: B.I.G. Love Cancer Care serves hematology/oncology patients under the age of 21 in Southeast Texas. League funds supported the L.I.F.T. (Love in Fragile Times) Program which serves patients at Texas Children's Hospital experiencing a crisis affecting home life, living situations, relapse in disease and end of life.

BOOKS BETWEEN KIDS: Books Between Kids provides a home library of books to economically disadvantaged children in schools in over 30 ZIP codes in Harris County. League funds assisted in providing books to more than 2,600 children at seven early childhood centers across Houston.

CAMP FOR ALL: Camp For All is the only barrier-free camp in Central and South Texas serving children, youth and adults with serious illnesses and special needs. League funds supported 75 campers attending Camp For All 2 U, a program which brings the Camp For All experience onsite to critically ill or special needs children and their siblings. Camp For All 2 U emulates the camp experience in a clinical setting.

COMMUNITY FAMILY CENTERS: Community Family Centers distributes over two million pounds of food annually through their Family Support Services program to families in Houston's impoverished Greater East End. League funds supported supplemental produce and food for their Friday Food Fair program.

CRISTO REY JESUIT: Cristo Rey Jesuit targets students from economically disadvantaged communities and offers a faith-based, college preparatory education. League funds supported ACT test preparation for all juniors and seniors who attend Cristo Rey Jesuit.

FAMILY POINT RESOURCES: Family Point Resources serves families in the Nottingham Park area who are 85 percent economically disadvantaged, representing 26 different countries. League funds supported the library and after-school enrichment programs for middle school and high school students with a focus on college and career readiness.

JUNIOR ACHIEVEMENT: Junior Achievement's BizTown program combines in-class learning with a day-long visit to a simulated city where students operate banks, manage businesses, develop skills in team building, decision making and critical thinking. League funds allowed six schools, with a high percentage of economically disadvantaged students who are unable to obtain funds to attend, to send 150 students each to BizTown.

PROJECT JOY AND HOPE: Project Joy and Hope provides relief for critically ill children and their families through education and supportive care services and programs. League funds provided a new sibling support program and day camp for families who have a critically ill child.

SAN FRANCISCO NATIVITY ACADEMY: San Francisco Nativity Academy is a non-tuition based private Christian school focusing on empowering low-income students to reach their full potential through a challenging curriculum, spiritual development and family support within an extended day and extended year. League funds provided breakfast for their students for one school year.

SMALL STEPS NURTURING CENTER: Small Steps Nurturing Center provides a high-quality education; social and emotional support; a nurturing Christian environment; transportation; and nutritious meals to children ages two through six living in poverty. League funds supported one semester of food to all children for the school's nutrition program.

STAGES REPERTORY THEATRE: Stages Repertory Theatre's Education and Community Engagement program focuses on art education to nurture creativity and critical thinking. League funds supported 285 students from Title I schools attending the 2018 Pantomime productions.

WEST HOUSTON ASSISTANCE MINISTRIES (WHAM): West Houston Assistance Ministries assists with critical and basic human needs including food, clothing, financial aid, and employment services. League funds supported their employment services and care ministry initiatives.

WINGS MINISTRIES: WINGS Ministries offers a seven-week course of work/life skills to at-risk women who are either incarcerated or in residential recovery programs for drug and alcohol addiction. League funds supported their work/life skills programming.

HURRICANE HARVEY RELIEF FUND

In August 2017, Hurricane Harvey made landfall in the Greater Houston Area, causing catastrophic damage in its path. Houston residents, businesses and nonprofit organizations faced countless challenges and hardships in the wake of the storm. The Junior League of Houston's Executive Committee quickly acted by establishing the Junior League of Houston Hurricane Harvey Relief Fund to provide disaster relief monies to organizations currently in the Junior League's Community Program, along with pairing volunteers with agencies who asked for volunteer help. League members provided more than 400 hours of service to those agencies.

The League raised over \$111,000 with contributions from 37 states, with donors including individuals, corporations, foundations and sister Junior Leagues, along with proceeds from the Junior League of Houston's 2017 Opening Style Show. Thanks to the generosity of donors and the determination of the League's partners, the Junior League of Houston disbursed 100 percent of funds raised to the following 20 Community Program organizations as the beneficiaries of the League's Hurricane Harvey Relief Fund:

THE JUNIOR LEAGUE OF HOUSTON, INC.

On Friday, February 2 and Saturday, February 3, 2018, the Junior League of Houston hosted its 70th Annual Charity Ball. The Junior League trains its members to be effective in the community and honors this longstanding tradition of service at Charity Ball. This year's Charity Ball was uniquely titled "Une Belle Nuit," a French saying which translates into "A Beautiful Night."

The event celebrated the beauty the Junior League creates in the lives it touches and the beautiful partnerships it has throughout Houston. The 70th Annual Charity Ball honored the past by remembering the beautiful women who worked diligently to shape and grow this dynamic organization. It also embraced the dedicated service of its current members who continue to "Make Today Beautiful" by volunteering in community projects that impact Houston's diverse needs. Charity Ball is a significant source of funding for the Junior League's community outreach and volunteer initiatives. The fun of Une Belle Nuit extended well beyond Charity Ball weekend. Several additional events were held for League members and guests to support Une Belle Nuit and the Junior League of Houston such as the ball's kickoff event Summer Soirée, the family-friendly event Une Belle Nuit Petite, and the late-night event held the Saturday evening of Charity Ball, NOCTURNE! In total, these events raised \$800,000 thanks not only to the generosity of Community Partners, underwriters and auction donors but also to the enthusiastic efforts of Jayne Sheehy Johnston, Charity Ball Chairman, and the Charity Ball Committee, along with Sarah Heck Snyder, President, and Mary Lee Hackedorn Wilkens, Development Vice President, who supported the Charity Ball Committee throughout the process. Each night, guests enjoyed a delectable three-course meal, silent and live auctions, as well as a memorable show performed by talented Junior League members, all before dancing the night away in la boîte de nuit!
