President's Letter

Stephanie Lowrey Magers

Jayne Sheehy Johnston

During the 2018 – 2019 year, The Junior League of Houston, Inc. endeavored to "Help Others, Learn and Inspire, and Have Fun". What originated as an exciting idea for service over 94 years ago continues to provide a strong legacy and platform of training and service for nearly 5,000 women who are dedicated to "Building A Better Community" in the Greater Houston Area. With more than 1,400 active and provisional members and over 3,200 sustaining members, the Junior League of Houston encourages voluntarism; mentoring and leadership development; and promoting a lifetime of civic service for tens of thousands of women.

In 2018 – 2019, League members provided over 120,000 volunteer hours in 36 community projects that touched countless lives across our great city. The Junior League of Houston contributed in excess of \$825,000 in grants and project support to a number of deserving organizations throughout the Houston community. The League hosted its inaugural Focus Area Event, benefiting Undies for Everyone. Through this effort, 155 volunteers served 310 volunteer hours unpacking and sorting 130,736 pairs of underwear. This year also marked the 20th anniversary of the Community Endowment Fund, established in 1999 to sustain and expand the League-designated Community Program in perpetuity, as well as help fund new initiatives. As a true testament to our League members' efforts, the Junior League of Houston was honored by the Association of Fundraising Professionals – Greater Houston Chapter as the Outstanding Service Organization.

The Junior League of Houston would not be able to give back to the community and train its members without the continued support of our generous donors. This year, the League had six Community Partners, who each donated \$20,000 or more to help maintain and further the League's efforts. Additionally, underwriters of the 71st Annual Charity Ball, Fire & Ice Ball, helped raise over \$760,000 in support of League efforts. Donors to our League Legends Annual Fund contributed more than \$100,000 to support the community efforts, building preservation and operating expenses of the League. And a huge thank you goes out to all those that visited the Junior League Pantry purchasing fresh food items; attended a Tea Room special event like our first-ever Bunny Brunch; or hosted a meeting, wedding or other special event in our beautiful building. The League is truly grateful to all who helped in "Building A Better Community" throughout the year.

Our members are the heart and soul of the organization, and the League appreciates their engagement. During the 2018 – 2019 year, the League developed the 2019 – 2022 Long Range Plan with considerable member input. This initiative assures the League is meeting not only the community's needs but also capturing members' needs and interests. While our League members' efforts in the community are nothing shy of outstanding, what sets apart the League is its dedication to training and development of its members. The League's Leadership Institute Training (LIT) program offered the opportunity for members to participate in a two-day leadership development workshop, as well as collaborate on group projects focusing on Diversity and Inclusion; Annual Fund Expansion; and Membership Engagement and Retention. Members were able to carry forward their learnings in both their professional and personal lives helping serve our city for years to come. The League also created a diversity and inclusion statement: "The Junior League of Houston welcomes all women who embrace its Mission, as well as meet its membership requirements. The League values diversity and is committed to focusing inclusive environments." It is with great pride and gratitude that we present the 2018 – 2019 Annual Report to share with you this year's accomplishments. We invite you to join us for another exciting year as we continue to fulfill the mission of the Junior League of Houston through helping others.

JLH is part of The Association of Junior Leagues International, Inc. (AJLI), a network of 291 leagues comprised of over 150,000 women in the United States, Canada, Mexico and Great Britain, engaged in similar work in their own communities. AJLI is a nonprofit organization that provides comprehensive consultation, training and other support services that assist the leadership of the 291 Junior Leagues across four countries. 2018 – 2019 Community Assistance Grants

Each year, The Junior League of Houston, Inc. provides Community Assistance grants to worthwhile organizations that do not receive ongoing volunteer support or financial assistance as one of the League's community projects. The League's Community Assistance Committee reviews the grant requests and conducts site visits before making recommendations for funding. For 2018 – 2019, the League awarded \$150,000 in Community Assistance grants to the following agencies:

\$30,000 TO BLESSINGS IN A BACKPACK:

Blessings in a Backpack mobilizes communities, individuals and resources to provide weekend food for school aged children in Houston who might otherwise go hungry while away from school meal programs. League funds will support 300 students with weekend food at Foerster, Grissom and Windsor Village elementary schools for the spring and fall semesters of 2019.

\$13,650 TO CANDLELIGHTERS CHILDHOOD CANCER FAMILY ALLIANCE:

Candlelighters Childhood Cancer Family Alliance provides emotional, education and practical support to families of children with cancer. League funds will provide resources for expansion of the Parent Consultant Program at Texas Children's Hospital Main and West Campuses. Funds will also create the Candlelighters' Corner at Texas Children's Hospital West Campus, a designated area which consists of a play area with games and activity books, as well as educational and reference materials.

\$4,200 TO CHILDREN 4 TOMORROW:

Children 4 Tomorrow creates a professional collaborative atmosphere of community awareness and nurturing support for children to thrive and grow in a mentally and emotionally healthy environment. League funds will provide an overhead projector and associated supplies in support of the curriculum's pilot program, LEAP Jr., a course designed to help approximately 150 indigent children learn resilience for coping with the trauma and emotional crisis surrounding divorce and/or custody cases of their parents.

\$21,250 TO CHILDREN'S LITERACY INITIATIVE:

Children's Literacy Initiative works with prekindergarten through third grade educators to improve instruction so that children can become powerful readers, writers and thinkers. League funds will provide expert coaching and training to educators with low-income students in eight Houston Independent School District Title I elementary schools, as well as provide high-quality classroom materials, including carpets, racks and books.

\$11,800 TO EPIPHANY COMMUNITY HEALTH OUTREACH SERVICES, INC. (ECHOS):

ECHOS connects people in need with health, social and educational resources that can improve their lives. Food insecurity is a critical issue for ECHOS clients. League funds will provide a commercial freezer, allowing ECHOS to provide more nutritious, well-rounded meals, as well as support the purchase of both frozen and non-perishable food as the organization responds to the increased needs of their growing client base.

\$15,000 TO FREE THE CAPTIVES:

Free the Captives is an anti-human trafficking nonprofit that fights the exploitation and trafficking of Houston's youth. League funds will support the Free the Captives' summer job program which allows girls ages 12 – 14 to learn important job-related and financial planning skills, such as resume writing and budgeting.

\$10,000 TO THE JUNG CENTER:

The Jung Center helps people navigate life's challenges and transitions in healthy ways. The Jung Center helps create strong families and communities through educational classes onsite and online, as well as in outreach programs serving those in need of mental health support. League funds will provide an after-school art program with classes in stress management and creative expression for at-risk children in Houston's Third Ward.

\$12,000 TO NORTHWEST ASSISTANCE MINISTRIES:

Northwest Assistance Ministries (NAM) is a nonprofit, community-based, multi-program social service agency that strives to meet basic human needs through neighbors helping neighbors. League funds will give financial support for transportation services which are vital for NAM's clients to find a job, to remain employed, to seek medical services for themselves or their children, to access food or to flee domestic violence. League funds also provide supplemental liquid nutrition for twenty-five medically frail home-bound seniors in the Meals on Wheels program.

\$13,100 TO SICKLE CELL ASSOCIATION OF TEXAS MARC THOMAS FOUNDATION:

Sickle Cell Association of Texas Marc Thomas Foundation educates, supports and improves the quality of life for adults and families affected by sickle cell disease and sickle cell trait. League funding will support 20 Houston area campers attending Camp Cell-A-Bration, a specialized week-long camp for children ages six – 14 living with sickle cell disease; the camp takes place at Camp For All.

\$19,000 TO THE WOODS PROJECT:

The Woods Project provides underserved high school students from Houston with transformative, experiential outdoor learning opportunities that allow them to develop life and leadership skills and behaviors needed for success. League funds will allow 47 volunteers to receive wilderness and first aid training to support the overall health, safety and well-being of students and acquire gear including tents, sleeping bags and hiking books to be used by the students participating in the program.

\$30,000 – Blessings in a Backpack

\$21,250 – Children's Literacy Initiative

\$13,100 – Sickle Cell Association of Texas

Focus Area Event

With the overarching belief that every person deserves the basic dignity of clean underwear, Undies for Everyone focuses on three programs to distribute underwear to children in need.

The Junior League of Houston partnered with the organization for the inaugural league wide Focus Area Event, in which the League committed \$10,000 and multiple volunteer shifts to support Undies for Everyone. The League's financial contribution translated to 10,000 pairs of underwear for children in need.

The Focus Area Event launched in October 2018 with a children's underwear drive. The League collected over 4,000 pairs of children's underwear from League members, Tea Room patron members and friends.

The Focus Area Event was held over a four-day weekend in January 2019, where League volunteers kicked off the Undies for Everyone 2019 Back to School program by sorting brand new packages of children's underwear, in two-hour shifts.

A total of 155 volunteers served 310 volunteer hours by unpacking and sorting 130,736 pairs of underwear. One shift over the weekend was designated as Family Philanthropy Day, where members volunteered alongside their "Minor Leaguers," children ages four and up.

CELEBRATING 71 YEARS OF THE ICONIC CHARITY BALL PROGRAM

10 | The JUNIOR LEAGUE of HOUSTON, Inc.

A sizzling experience was enjoyed by all at the 71st Annual Charity Ball, Fire and Ice. Since 1949, the Charity Ball has served as an opportunity to celebrate the pivotal partnerships that enable the Junior League to continue its mission of training volunteers to champion positive change in the Houston community each year. For every dollar received, the League is able to significantly increase its value by pairing it with trained volunteers, further setting the League apart and allowing your gift to reach even further.

Held on February 7, 8 and 9, 2019, the Fire and Ice Ball raised more than \$770,000 in revenue to support the League's Community Program and volunteer initiatives. The 2019 theme, "Fire & Ice," embodied the League's membership and its generous League supporters, reflecting their "fiery passion" for supporting the community and the "shimmery brilliance" shown in those efforts. The theme was brought to life with a tent transformed into a "Winter Showcase" featuring a dedicated champagne aerialist, a dazzling 90-pound crystal chandelier, and an ice bar that glittered and drew oohs and aahs from the partygoers.

The Ballroom was transformed into an icy side with décor ranging in shades from white, blue, purple and pearl, split down the middle with gorgeous mirrored rectangular tables, to a fiery side with shades of crimson, tangerine, magenta and gold. The menu featured foods that were a nod to the theme, including frosty sorbet and pecan balls with cayenne chocolate sauce. During dinner, the champagne presentations were a huge hit. Fire & Ice characters danced and greeted tables who purchased magnums of champagne, contributing to the high energy in the room.

The Tea Room became the "Ember Room," dedicated to everything fire. The LED dance floor was a hit with guests becoming the hottest spot of the party with dancers showcasing their fancy footwork until the very end of the night! The Guzzlers heated up the room and kept the party going with favorites from all decades.

The all-volunteer Charity Ball cast sizzled in song and dance numbers on the main stage in the Ballroom, highlighted by outstanding pianist and cellist performances by talented League members. The finale number, Just Like Fire, brought attendees to their feet in applause.

We thank our donors for their generous support of the coolest event in town!
