August 18, 2026

Dear Generous Friend,

The Junior League of Houston warmly invites you to partner with us as an underwriter for our 79th Annual Charity Ball: ***Magical Masquerade***, on Saturday, February 6, 2027. Inspired by the mystery and elegance of a grand masquerade, the evening will celebrate the power of generosity and the lasting impact we can make together.

For over 100 years, the Junior League of Houston has responded to our city's greatest needs by developing women leaders and serving alongside nonprofit partners throughout Houston. Each year, League volunteers contribute more than 85,000 hours of leadership, expertise and hands-on service, extending the impact of Charity Ball far beyond a single evening.

What makes the Junior League of Houston unique is the power of partnership. Every underwriting gift is multiplied by the dedication of thousands of trained volunteers, expanding the reach and impact of every dollar invested. Together, your generosity helps advance the League's Community Program. Through 28 community projects, League volunteers annually prepare more than 150,000 sandwiches for children experiencing food insecurity; provide more than 200 hours to childcare programs, enabling mothers at women's centers to access vital wraparound support; assemble 3,000 craft kits for children during hospital stays; and provide essential supplies each month to more than 400 children in foster care. These are just a few examples of how the League creates lasting impact across the Greater Houston community through the power of trained volunteer leadership.

Enclosed you will find information on this year's underwriting and sponsorship opportunities. To be recognized in the invitation and other printed materials, please kindly respond by Wednesday, November 4, 2026.

Your support of Charity Ball fuels the League's mission throughout the year and ensures these programs continue to strengthen our community. We hope you will join us at ***Magical Masquerade***, where the evening's greatest reveal will be the lasting impact we create together as we continue "Building A Better Community."

With gratitude,

Dionella N. Martinez
