August 22, 2023

Dear Friend,

Once upon a time in 1925, twelve forward-thinking women forged the Junior League of Houston, a remarkable sanctuary to grow and nurture the next generation of leading ladies focused on guiding and protecting others. Through their quests for voluntarism, education, training and more, they provided hope and support to the Houston community. But the tale does not end there...

The Junior League of Houston's extensive training and education program continues to cultivate a lifetime of civic service and prepare its members to serve as agents of change in the Houston community well beyond their active membership years. By providing trained volunteers and funding to 32 community projects, as well as additional outreach efforts including Community Assistance Grants, diverse community collaborations and other impactful community events, the Junior League of Houston's foundation in the community runs as deep as a tree's roots in a meadow and provides strength and support to all in need.

The Junior League of Houston invites you to be an underwriter for an evening of fantasy and fairy tales at its 76th Annual Charity Ball, *Enchanted: An Evening Once Upon a Time*, to be held on **Friday, February 2 and Saturday, February 3, 2024**. For every dollar received from generous donors like you, the Junior League of Houston triples its value by combining it with trained volunteers – a combination that sets the Junior League of Houston apart and enables your gift to reach the furthest corners of our community.

The Junior League of Houston members look forward to welcoming you to an enchanting evening filled with magic and charm as we celebrate the commitment to furthering the League's mission of "Building A Better Community."

With Gratitude,

Amanda Hanks Bayles
