PRESIDENT'S LETTER

2013 - 2014

TRANSFORM

Each year, the President of The Junior League of Houston, Inc. selects a theme to guide and inspire members and capture her goals for the year. "Transform," the chosen 2013 - 2014 theme, aptly sums up the League experience and the focus for the past year.

The League has the incredible opportunity not just to improve the Houston community but to make transformational changes - lasting impressions on the community through service and on the League's membership through training and education.

The value of League volunteer time supporting its 38 community projects during the 2013 - 2014 year equates to more than \$1.5 million. Beyond trained volunteers, the League also provided nearly \$600,000 in direct financial support to the community. These contributions would not have been possible without the dedication and generosity of the League's members, patron members and donors.

Among these financial supporters were the League's Community Partners who each donated \$20,000 or more during the year and underwriters of the 66th Annual Charity Ball, *Imperial Dragon*, who helped raise over \$1,000,000 in support of League community efforts. The League is truly grateful to all who helped in "Building A Better Community" over the past year.

During the 2013 - 2014 year, the League also relaunched the Annual Fund as the "*League Legends* Annual Fund." Donations to the *League Legends* Annual Fund support the community efforts, building preservation and operating expenses of the League. The re-working, which included an educational component, significantly increased donations to the *League Legends* Annual Fund. To celebrate, the League hosted an inaugural donor recognition event for those contributing \$250 or more that was graciously hosted by Terri and John Havens in their beautiful historic home.

In addition, the League completed several strategic planning studies to help identify areas to improve the League's operations. Specifically, the following strategic planning studies for the 2013 - 2014 year were completed: (1) Endowment Study, which developed a time line and best practices for taking distributions from the Junior League of Houston Foundation's Community Endowment; (2) Tea Room Study, which included a comprehensive review of the Tea Room business operations; and (3) Membership Survey, which researched the origins of the League's Active Membership Survey. These initiatives will help the League remain effective and strong as it forges ahead into its 90th year.

WE PROUDLY INVITE YOU TO REVIEW THIS 2013 - 2014 ANNUAL REPORT TO LEARN MORE ABOUT THE YEAR'S ACCOMPLISHMENTS.

THANK YOU FOR YOUR SUPPORT.

Sincerely,

Marian Hearne Hilpert
2013 - 2014 President

EMERGENCY AND RESOURCE
CONTINGENCY GRANTS

Emergency Contingency Grants are distributed to meet emergency needs of tax-exempt agencies. Resource Contingency Grants are dispensed to address short-term needs with little delay to tax-exempt agencies. The following grants were awarded in 2013 - 2014:

FORT BEND COUNTY WOMEN'S CENTER – \$4,000 to purchase mattress sets for women and children who have left abusive situations and moved into their own apartment working to become self-sufficient.

SPAULDING FOR CHILDREN – \$2,000 to cover the costs of the Family Preservation Group Therapy program ensuring the adopted children and parents receive the emotional support they need post-adoption.

*Volunteer Support is calculated based on the number of volunteer hours committed to a particular community project. Each hour is valued at a market rate of \$23.40, suggested by the Independent Sector and the Points of Light Foundation for the 2013 Value of a Volunteer Hour, by State (Texas).

**Direct financial support is the actual cash spent for the community endeavors during the fiscal year ending May 31, 2014.

MAKING A MARK® ART EXHIBITION

The opening of The Periwinkle Foundation's 23rd annual Making A Mark® art show at Texas Children's Hospital was held on September 8, 2013. The exhibition featured over 300 unique pieces of artwork created by children who are affected by cancer and blood disorders, including 30 pieces that were awarded purple ribbons by a panel of judges and over 50 pieces from international treatment centers in Peru, Panama, Brazil and Poland. At the show's opening, many of the artists and their families were able to see the artwork on display, as well as enjoy music, crafts, face painting and even an ice cream sundae bar!

In addition, this year's guest artist, Reginald Adams, displayed 50 "healing hands," which were created from molds of children's hands. Each hand was embellished with paint and other collage materials and then placed in a mosaic flowerpot. The hands represent the love, attention and nourishment required for children to overcome their battles with cancer.

Junior League of Houston volunteers helped prepare for the show's opening by organizing and matting artwork, labeling each piece, entering each artist's information into a database that was used to print the programs and setting up for the show's opening. The volunteers were also responsible for handing out t-shirts and collecting donations the day of the art show. The team really enjoyed working with the artwork and getting to know some of the artists and the Periwinkle Foundation and Texas Children's staff.

KIDS IN THE KITCHEN

In late March 2014, 88 second and third grade students from the Baker-Ripley Promise Community School attended the League's annual Kids in the Kitchen event. The students received an overview of the League's efforts in the community and a tour of the League building. Students then donned personalized aprons and chefs' hats, crafted by League VIEW (Volunteers In Evening Workshop) volunteers, to prepare their salads and healthy desserts for lunch on both days, and prepared a healthy entrée to take home. The League's own Ebony Goudeau taught the students about etiquette, manners and proper place settings. Wayne Davis, founder of a Houston nonprofit focused on childhood obesity and exercise, led the students in a fun and energetic workout and emphasized the importance of proper nutrition. The students ended their day by practicing their proper place settings and good manners while enjoying lunch in the Tea Room. Each student left with a goody bag filled with a jump rope, a cookbook with recipes in English and Spanish, a cooking spoon, and a Family Pass to the Children's Museum of Houston (CMH) graciously donated by CMH and League sustainer, Melissa Garlington.

COMMUNITY ASSISTANCE GRANTS

Each year, the Junior League of Houston seeks to broaden its impact in the community by providing Community Assistance Grants to worthwhile organizations that do not receive ongoing volunteer support or financial assistance through the Junior League's Community Program. The Junior League of Houston's Community Assistance Committee reviews the grant requests, prioritizes them based on their alignment with the focus areas determined by the Board of Directors and makes site visits before determining which organizations will receive funding. When selecting recipients, the committee considers whether an agency's request would address a critical or basic need, fund a pilot project or expand a significant service to the community.

For the 2013 - 2014 year, the League's Community Assistance Program received a gift from the Junior League of Houston Foundation Community Endowment Fund of \$75,000. This allowed the Community Assistance Committee to fund \$145,000 in grants. For 2013 - 2014, the Junior League of Houston awarded Community Assistance Grants to the following agencies:

BAY AREA TURNING POINT, INC.
 CANDLELIGHTERS CHILDHOOD CANCER

 CHRISTIAN COMMUNITY SERVICE CENTER

The 2014 Charity Ball, Imperial Dragon, was a resounding success, raising over \$1 million – a record-breaking amount for the League. It attracted and entertained hundreds of attendees, with a marvelous show, a live and Big Board auction, plus dinner and dancing. The Charity Ball, ever a celebration, is the League's largest funding source for its community outreach efforts.

THE JUNIOR LEAGUE TEA ROOM

A Junior League tradition, all provisionals and many actives support the Tea Room through their Tea Room placement, whether waitressing, cashiering, helping with the garden and grounds, preparing food in the kitchen, or working the front office or Pantry.

The community enjoys the Tea Room through individual and corporate patron memberships, and in turn the Tea Room promotes the mission of the League. Patron members enjoy access to special events, luncheons in the Tea Room, and beautiful banquet facilities.
