June 15, 2018

Dear Friend:

As the summer heat sizzles, so does the Junior League of Houston's commitment to our community. We are pleased to invite you to ignite the night at the 71st Annual Charity Ball, the *Fire & Ice Ball*, on Friday, February 8, and Saturday, February 9, 2019. Shake off the chill of winter as we celebrate all that is both dynamic and enduring about our great city and the League members who strive to make it better each day.

The generosity of underwriters like you provides essential support for the Junior League of Houston through unrestricted funds, which enhance our ability to provide quality community service projects, grants and volunteer training. Our outreach efforts focus on education, health and well-being, cultural enrichment, family support services and neighborhood engagement opportunities, including providing the only free CPR classes offered to the Houston public.

Charity Ball is the single largest fundraiser for our Community Program and other volunteer initiatives. The Junior League of Houston contributes over \$2 million annually in volunteer service hours and direct financial support to the Greater Houston Area through 36 different community projects, Community Assistance Grants and community outreach events. These efforts benefit the community with meaningful contributions like the Texas Children's Hospital SuperKids Mobile Clinic, Camp For All's in-hospital camp experience for children unable to travel, and Star of Hope's Reaching Out Catching Kids tutoring program. Your gift allows the League to strengthen our volunteer efforts, develop the potential of women through multifaceted training and direct experience, and further improve our remarkable community.

With fiery passion and icy resolve, Junior League volunteers continue "Building A Better Community." Your support makes this mission possible, truly impacting the Houston metropolitan area. Be the spark that ignites the flame and join us at the *Fire & Ice Ball*.

Warmly,

Stephanie Lowrey Magers  
President

Tanya Merla Leiber  
Charity Ball Chairman

Amanda Hardy Boffone  
Underwriting Chairman
