MESSAGE TO TEA ROOM PATRON MEMBERS

Dear Tea Room Patron Member,

Thank you for your patronage of the Tea Room. Your support allows the Tea Room and the Junior League of Houston to continue fulfilling its mission of promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. The Tea Room has long been an area of the League dedicated to training volunteers in the discipline of service, which allows each of them to embody and fulfill the League’s mission in every volunteer endeavor she undertakes, be it in the Tea Room or one of the 36 Community Projects the League currently offers. Your support of the Junior League, through enjoying lunch in the Tea Room, utilizing the lovely building for private events, and picking up favorites to go from The Pantry, enables League members to continue serving the Greater Houston Area, which has been an honor for League volunteers since 1925. Thank you for your ongoing support and patronage of the Junior League!

Your comments and suggestions are always welcome. Please contact Semmes Etheridge Burns at tearoom_director@jlh.org.

COMMUNITY SPOTLIGHT
CAMPING FOR A CAUSE

Junior League of Houston members are serving children and teens throughout the Greater Houston Area by providing unforgettable and impactful camp experiences in a variety of settings. The Junior League is “Building A Better Community” through each of these camps:

Camp Janus – League members serve as counselors providing a traditional summer camp experience for pediatric burn patients ages five to 18 at Camp For All in Burton, Texas.

Camp Hope – AIDS Foundation Houston, Inc. – League members provide educational and emotional support to low-income children living with HIV/AIDS by serving as counselors at a weeklong camp for children ages seven to 15 at Camp For All in Burton, Texas.

Camp Rainbow – American Diabetes Association – League members participate as camp counselors in a one-week summer day camp for children living with diabetes and their siblings. League members prepare craft materials to be used during camp, as well as participate in all fun camp activities including swimming and fishing.

Children’s Museum of Houston Overnight Adventures – League members serve as role models for young girls by participating in craft projects, exploring museum exhibits and cultivating an interest in nutrition and health, all while spending the night at the museum.

The Health Museum Overnight Adventures – League members provide Girl Scouts with an overnight at The Health Museum where they assist in activities focused on Science, Technology, Engineering and Mathematics (STEM) for the girls.

UNDIES FOR EVERYONE

The weekend of Friday, January 18, 2019, Junior League of Houston members, along with family and friends, volunteered more than 300 volunteer hours unpacking, sorting and counting 130,736 pairs of children’s underwear that had been donated to Undies for Everyone. Coupled with the League’s donation of $10,000, which allowed Undies for Everyone to purchase 10,000 pairs of underwear, and the October donation drive gift of 4,015 pairs of underwear contributed by League members, Tea Room patron members, and friends, the League’s first Focus Area Event was a huge success. It is because of your support of the Tea Room that allows the Junior League of Houston to have impactful partnerships in the community.
