MESSAGE TO TEA ROOM PATRON MEMBERS

Dear Tea Room patron member,

On behalf of our volunteers, thank you for supporting the League's mission of promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Since 1925, the Tea Room has been a training ground for Junior League volunteers to learn and practice the discipline of service that is so critical to our mission. This year alone, our members will contribute more than \$2 million in volunteer time and direct financial support to our community projects through grants and other community collaborations. By enjoying lunch in the Tea Room, attending a Tea Room Special Event, utilizing the lovely building for private events, or picking up favorites from The Pantry, you are supporting the Junior League's commitment to "Building A Better Community." Thank you for your ongoing support and patronage of the Junior League!

COMMUNITY OUTREACH

The focus area for the 2019 – 2020 League year is Children’s Education and many of the League’s projects and grant recipients are centered around enriching the lives of children in Houston.

SUPERKIDS PEDIATRIC MOBILE CLINIC

The **SuperKids Pediatric Mobile Clinic** launched in 2000 with a \$1 million gift in conjunction with the Junior League’s 75th anniversary. It is one of the most well-known Junior League community collaborations. In 2018, the JLH Board of Directors granted funds to purchase a brand new state-of-the-art SuperKids Mobile Clinic to replace the current, aging clinic and to continue providing much needed primary care to underserved children in the Gulfton area of Houston. The new mobile clinic will remain operational day and night, on weekdays and weekends, giving out free immunizations and comprehensive medical care. We hope you will join us for the unveiling of the new clinic in 2020!

PEN PALS

For over 20 years, League volunteers have served as pen pals to four Houston Independent School District schools. The **Pen Pals** program emphasizes reading, writing and vocabulary skills through letter writing. They have meet and greets during the school year where League volunteers do crafts with elementary school students with whom they have been corresponding. The first “meet” was Wednesday, October 2, 2019, and per tradition, League volunteers gifted their students school supply sets.

KIDS MEALS

Kids Meals has been a League project for 15 years. League volunteers make sack lunches and deliver them to the homes of hungry children in Houston. This spring, the League is excited to announce the purchase of a Kids Meals van, which will allow Kids Meals to expand the program and serve more children.

BIG AWESOME BOOK SORT

In the spring, the JLH will work with the Barbara Bush Literacy Foundation to organize books for the My Home Library program. The League is committed to literacy efforts around the region, and is particularly interested in ensuring that children have books in their homes. The My Home Library program allows children to select six books from an online store, making it more likely that they will read and engage. League volunteers will help organize the books at the **Big Awesome Book Sort**.

KIDS IN THE KITCHEN

The Junior League of Houston, in concert with the Association of Junior Leagues International, Inc. and other member Leagues, hosts an annual Kids in the Kitchen program. National and local Leagues are committed to promoting nutrition for the nation's youth and fighting the epidemic of childhood obesity. Kids in the Kitchen provides lessons and demonstrations for the preparation of healthy meals in partnership with local organizations and chefs. The fight against childhood obesity is complicated, but we believe the best way to tackle it is with hands-on education of children and families. The Junior League of Houston is proud to join the Association of Junior Leagues International, Inc. and its sister Leagues around the world to empower young people with information on nutrition and healthy eating habits.
