

Welcome to the Junior League of Houston Tea Room! On behalf of our volunteers, thank you for supporting our mission of promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Since 1925, the Tea Room has been a training ground for Junior League volunteers to learn and practice the discipline of service that is so critical to our mission. This year alone, our members will contribute more than \$2 million in volunteer time and direct financial support to our community projects and through grants and other community collaborations. Whether you are a longtime Tea Room patron member or a guest in the Tea Room today, you are a welcomed and valued part of supporting the Junior League's commitment to "Building A Better Community." Thank you for choosing to dine with us!
