

In 1925, deep in the heart of Texas,

12 determined women founded The Junior League of Houston, Inc. with the mission of promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. These women forged a path forward so that almost 100 years later, the Junior League's outreach efforts still focus on critical issues within the Houston community.

For every dollar received from generous donors, the Junior League triples its value by combining it with trained volunteers, a combination setting the League apart and enabling your gift to reach the furthest corners of our community.

The Junior League of Houston looks forward to a Texas-sized celebration at the 74th Annual Charity Ball recognizing your commitment to further the League's accomplishments and contributions to "Building A Better Community."

We are so excited to *welcome you home!*
